“STATE OF THE COMMUNITY”

A milestone has been reached in the history of the Town of New Hampton in that there is now a building to house all of the offices of town business. Thanks to many citizens who worked long and diligently and also to those who made other donations; without them this project would not have been completed.

We have some areas that need further work and an article will be presented so that the exterior of the building may be completed.

Our property value increased from \$30,426,590.00 to \$31,170,940.00, a gain of \$744,350.00. There were 148 pieces of property looked at by the State last year.

The Highway Department completed the road projects that were started in 1983 by finishing the surfacing of those two areas. Hopefully, we can continue these types of projects in the future. This year the Highway Block Grant will be used on several small projects by recommendation of the Road Agent and worked on under his direction.

Several articles are being presented for Capital Outlay for equipment for all three departments. Funding of these has been developed so there will be a minimal effect on the tax rate. Highway and Police Departments budgets have increased, and the Fire Department stays the same as last year.

We cannot project a tax rate at this time because of the uncertainty of what is going to be presented by the school system. Attendance at both Town Meeting and School District Meeting is the only way that you can help keep the tax rate within your ability to pay. Let's all be at both.

Record of Annual Town Meeting

New Hampton

March 13, 1984

Moderator T. Holmes Moore opened the Town Meeting at 10 o'clock in the forenoon. He read the Warrant as follows:

To the inhabitants of the Town of New Hampton, New Hampshire in the County of Belknap, qualified to vote in Town affairs;

You are hereby notified to meet at the New Hampton Town House Tuesday the thirteenth day of March 1984 at ten o'clock in the forenoon to cast your ballots for Town Officers and for questions required by law to be on the ballots. Polls to close not later than 6:00 PM.

The remainder of the warrant will be acted upon at the New Hampton Town House Saturday, March 17, 1984 at 10:00 AM.

Polls were opened for voting with Hope Clement and Leon Torsey ballot Clerks, on the in check list, with Patricia Torsey and Ralph Huckins on the out check list. Jeanette Hahn, Barbara Chase and Ralph Ness, Supervisors of the Check lists, were at the Table on the floor to correct changes or mistakes during the balloting. Barbara Chase brought me the total voters in the Town of New Hampton. 213 independent voters, 412 Republican and 222 Democrats making a total of 847 voters in the Town.

Coffee, donuts, cakes, pies and cookies were sold, helping the Ruth Joyce Scholarship Fund for Boys. A lovely doll cake made by Viola Blake was raffled off and Dorothy Guyotte was the winner.

We had 363 voters who voted this time, approximately 42-43%.

Around 2 o'clock, sorry I did not check the time, the Moderator checked the absentee ballots. We had 54 absentee ballots. My wife, Katherine, as my deputy, went all over Town from Ashland to Blake Hill Road on the other side, making sure no one was missed. Katherine and I went to Hanover last Friday to see Mr. Racine at the Hospital, he had asked for an absentee ballot. He was so out on medicine to make him comfortable that we could not accept his ballot. He passed away Friday afternoon.

All absentee ballots were accepted.

At 6:00 o'clock PM the Moderator closed the polls and the women in our group set up tables so that we could have a quick lunch before counting. Salads, Baked Beans, Lasagna, Spaghetti, with apple squares, raspberry chiffon pie, lime chiffon pie, were some of the goodies.

We had 3 sets of Tallies, 3 Counters and one caller to a set. Leon Torsey caller, Katherine Seavey, Ralph Huckins and Ralph Ness one set. Jeannette Hahn caller with William Clement, Sandra Price and Patricia Salmon 2nd set; Hope Clement caller, Patricia Torsey, Merritt Salmon and Barbara Chase, third set.

We finished Tallying around 9:30 PM. With write ins in practically every office it took longer than usual.

The Moderator read the results and closed this part of the Town Meeting at 9:30 PM. The balance of the Warrant will be voted upon Saturday, March

17, 1984 beginning at 10:00 AM.

Respectfully submitted,
Arthur E. Seavey
New Hampton Town Clerk

PS The weather was snowy and treacherous driving; we had about 20 inches of snow Wednesday morning. A good turn out for very bad weather.
AES (Tc)

March 17, 1984

Moderator T. Holmes Moore opened the meeting at 10:00 AM. We all stood, and saluted the Flag. Mrs. Hilda Green played "America the Beautiful" and we all sang in unison. Rev. Cleveland led us in prayer.

The Moderator asked Arthur Seavey, Town Clerk, to read the results of March 13, 1984. The Moderator then read Article #1 to be acted upon.

A question on the Tax rate was asked and William Clement said if all things passed as is on the warrant that we should have a rate of 24.40 to 25 dollars per thousand as a tax rate.

A question on Article 31 of last year pertaining to two tax collections a year answered that it was not necessary and too expensive to do at this time.

The Moderator read article #1 as follows:

To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same.

William Clement moved the article to read \$92,225.00, seconded by Herman Chase.

Discussion.

Moderator reread article #1 and put it to a vote.

An affirmative vote and article #1 was accepted.

Moderator read Article #2:

To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for furnishings for the Town Office building.

Moved by Herman Chase to cancel this article, William Clement seconded it. Herman Chase said article should be put on table and in the discussion gave his reasons.

Moderator reread article #2 and put it to a vote.

There was an affirmative vote so article #2 was Tabled.

Moderator read Article #3:

To see if the Town will vote to purchase a new fire truck for the sum of \$88,992.00 by withdrawing \$60,000.00 from the Fire Department Capital Reserve Fund and by raising and appropriating the balance of \$28,992.00 plus \$2,174.40 in interest to be repaid over the period of three years as follows: two equal payments of \$10,000.00 each and a final payment of \$11,166.40 for a total to be repaid of \$31,166.40.

William Clement moved article to read \$28,992.00 period with no interest. Seconded by Herman Chase. There was a mistake in figuring the interest charges, so felt this was the best way to raise the money.

The Moderator reread article as amended which was voted in the affirmative.

The Moderator read Article #4:

To see if the Town will vote to raise and appropriate the sum of \$17,500.00 for the support of the Fire Department.

William Clement moved the article and Herman Chase seconded it.

Discussion.

The Moderator reread Article and an affirmative vote was given.

The Moderator read Article #5:

To see if the Town will vote to raise and appropriate the sum of \$47,042.00 for the support of the Police Department.

William Clement moved article and Herman Chase seconded it.

After discussion and questions and answers Moderator reread article #5 and an affirmative vote was given.

Moderator read Article #6:

To see if the Town will vote to raise and appropriate the sum of \$1,700.00 for the purchase of a new mobile two way radio for the Police Department Cruiser and authorize the withdrawal of this amount from the Revenue Sharing Fund.

Article #6 was moved by Herman Chase and seconded by William Clement.

Discussion — going from a 4 channel to an 8 channel radio.

Moderator reread article #6 and an affirmative vote was cast.

Article was accepted.

Moderator read Article #7:

To see if the Town will vote to raise and appropriate the sum of \$900.00 for the purchase of a new Police radio and to authorize the withdrawal of this amount from the Revenue Sharing Fund.

Herman Chase moved article and William Clement seconded it.

Discussion.

Chief Merritt Salmon gave a resume of why they needed this radio.

Moderator reread article and an affirmative vote was given.

Moderator read Article #8:

To see if the Town will vote to raise and appropriate the sum of \$110,000.00 for the support of the Highway Department. Such sum is exclusive of an estimated \$39,778.29 in Highway Block Grant Aid.

William Clement moved article and Herman Chase seconded it.

Discussion. William Clement gave a resume of why. David Torsey and Ken Torsey asked many questions which were answered. Willis Ober wanted to know who had last say on responsibility on poor roads; purchase orders a good business procedure.

Moderator reread article and an affirmative vote was given.

Moderator read Article #9:

To see if the Town will vote to authorize the use of the \$39,778.29 from the Highway Block Grant Aid Fund for the preparation and surfacing of the recycled sections of the Town roads and to pave the front drive and parking area at the Town Office building.

William Clement moved article and Herman Chase seconded it.

Discussion. Ken Torsey asked about TRA amount with an affirmative answer by William Clement.

Willis Ober wanted to make a motion from the floor.

He wanted Article #21 to be voted upon next. The Moderator accepted his motion and Article #21 was read by Moderator.

Article #21 as follows:

To see if the Town will vote to change the position of Road Agent from that of being elected to that of being appointed by the Selectmen.

Willis Ober made motion to lay article on Table. His motion was defeated.

Moderator read article and it was moved by William Clement and seconded by Herman Chase.

Discussion.

Bill Clement tried to explain this article with many questions. After a long discussion article was put to vote by Moderator.

Article was defeated by a negative vote.

The Moderator read Article #10:

To see if the Town will vote to raise the sum of \$3700.00 for a new Highway spreader and to authorize the withdrawal of this amount from the Revenue Sharing Fund.

June Smith moved article and Barbara Chase seconded it.

Discussion.

William Clement wanted amount to be changed to \$2500.00, seconded by Arthur Seavey.

Discussion.

\$2500.00 amount was accepted.

Moderator reread article for \$2500.00 and put it to a vote. Article #10 was accepted by an aye vote.

Moderator read Article #11:

To see if the Town will vote to raise and appropriate the sum of \$20,000.00 to be put in the Capital Reserve Fund for the purchase of Highway Equipment.

Moved by Bernard Smith to make the amount \$10,000.00 seconded by Kenneth Torsey. Discussion.

Moderator got an acceptance on amount and reread article with this amount of \$10,000.00.

Article #11 was accepted.

Moderator read Article #12:

To see if the Town will vote to raise and appropriate the sum of \$6,000.00 for the improvement of Town Bridges and to authorize the withdrawal of this amount from the Revenue Sharing Fund.

Discussion.

Moderator reread article and an aye vote was cast accepting this article.

Moderator read Article #13:

To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for repair of Main St.; the State to contribute \$10,000.00 for a total of \$15,000.00.

Hope Swain moved article, seconded by Arthur Seavey.

Discussion.

Moderator reread article and an accepted vote was declared.

Moderator read Article #14:

To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the care of Cemeteries.

Moved by Bernard Smith and seconded by Ralph Ness.

Discussion.

Moderator reread article and an aye vote was declared.

Article was accepted.

Article #15 was as follows:

To see if the Town will vote to raise and appropriate the sum of \$3200.00 to update the Master plan and to authorize the withdrawal of this amount from the Revenue Sharing Fund.

The article was moved by Mrs. Stefhanie Stephenson and seconded by Mr. Joseph Miller.

The Moderator asked for a discussion, then the article was voted upon.

Article was accepted.

Moderator read Article #16:

To see if the Town will vote to raise and appropriate the sum of \$8,836.00 for the support of Regional Associations: Community Action Program \$1,936.00; Bristol Community Center \$920.00; Lakes Region Planning Commission \$1,004.00; N.A.N.A. \$4,400.00; Inter-Lakes Day Care Center \$576.00.

Article moved by Mrs. Stephenson, seconded by Joe Miller.

Discussion. Change \$920. to \$975. accepted, Total \$8891.00.

Article voted on as reread by Moderator and accepted.

Moderator read Article #17:

To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of the New Hampton Community Kindergarten.

Moved by M. Lang, seconded by M. Conrad.

Discussion. Amount raised to \$1000.00 by Mr. Stephenson.

Larry Blood not in favor of the way this is being taken care of.

Moderator moved article with \$1,000.00 amount and it was accepted.

Moderator reread article as amended and it was accepted.

Moderator read Article #18:

To see if the Town will vote to raise and appropriate the sum of \$450.00 for Patriotic Purposes.

Moved by William Clement and seconded by Mary Bates.

Discussion. June Smith wanted to know where amount went; answered by William Clement.

Moderator reread article and an accepted vote was declared.

Moderator read Article #19:

To see if the Town will vote to raise and appropriate the sum of \$400.00 for the support of Hospitals: Mary Hitchcock Memorial Hospital, Franklin Regional Hospital, Lakes Region General Hospital and Sceva Speare Memorial Hospital.

Moved by Ken Torsey, seconded by Leon Torsey.

Discussion.

Moderator reread article and an aye vote was declared.

Article was accepted.

Moderator read Article #20:

To see if the Town will vote to raise and appropriate the sum of \$625.00 as our assessment for the Pemi-Baker Solid Waste Planning District.

Moved by Herman Chase and seconded by William Clement.

Discussion. Herman Chase gave a resume of what is being done and what is necessary.

Moderator brought article to vote and it was accepted.

Moderator read Article #22:

To see if the Town will vote to accept the sum of \$3000.00 from the disbanded New Hampton Woman's Club, this fund to be supervised by the Trustees of Trust Funds of New Hampton, the accrued interest to be used to aid New Hampton women residents seeking to further their education for practical self support and to be administered by the Sarah Dow MacGregor Scholarship Awards Committee. This Fund will be known as the New Hampton Woman's Club Scholarship Fund. (By Request)

Moved by June Smith, seconded by Edith Youst.

Discussion. Mrs. Youst gave a resume about the money and answered any questions.

Moderator put article to vote and received a unanimous aye vote. Article was accepted.

Moderator read Article #23:

To see if the Town will vote to establish a Capital Reserve Fund for a reappraisal of property and raise and appropriate \$5,000.00 for deposit in same and authorize the withdrawal of this amount from the Revenue Sharing Fund.

Moved by William Clement, seconded by Rabon Rose.

Discussion. Willis Ober wanted to know total of assessment \$27,000.00. James Martel of the State wants this fund for this purpose.

Moderator had article voted upon and article was accepted.

Moderator read Article #24:

To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town any Federal or State Funds which may be made available during 1984. Further to see if the Town will authorize the Selectmen to make applications for said funds and then expend the same for the purposes designated with applicable Federal or State regulations.

Rabon Rose moved article, June Smith seconded it.

Discussion.

Moderator reread article and an accepted vote was carried.

Moderator read Article #25:

To see if the Town will authorize the Selectmen to borrow money in anticipation of Taxes.

Moved by Alden Hofling, seconded by Leon Torsey.

Discussion. A yearly article.

Moderator reread article and an accepted vote was cast.

Article was accepted.

Moderator read Article #26:

To see if the Town will vote to authorize the Tax Collector to accept prepayments of Taxes.

Moved by Edwin Huckins, seconded by Arthur Seavey.

Discussion. Mary Bates wanted to know who put article in warrant. Edwin Huckins did, which is a yearly item.

Moderator put article to vote and accepted an aye vote, unanimously. Article was accepted.

Moderator read Article #27:

To see if the Town will vote to authorize the Selectmen to dispose of property acquired by Tax Collectors deeds.

June Smith moved article, Willis Ober seconded it.

Discussion. David Gordon wanted to know how property was disposed of now. Moderator had an accepted vote cast, article was accepted.

Moderator read Article #28:

To see if the Town will vote to authorize the Selectmen to trade off or sell any unusable equipment or materials.

Moved by Herman Chase, seconded by Edwin Huckins.

Discussion. William Clement answered the questions What they have and how do they advertise these things.

Moderator reread article and an aye vote was declared.

Article was accepted.

Moderator read Article #29:

To see if the Town of New Hampton shall call upon the Governor and Executive Council, its State Representatives and State Senator to promptly convene a special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the Citizens, businesses, schools and agencies in the Town of New Hampton and to direct the Selectmen to promptly notify our above elected officials of the Town's desire. (By Petition)

Patricia Schlesinger moved article and Joe Miller seconded it.

Discussion. Patricia Schlesinger read typed article for this article for about 5 minutes.

Bernard Smith gave a refuted but small speech against it.

When the Moderator put it to a vote it was necessary to have a hand vote. In favor of the article 41. Not in favor 24. Article was accepted.

Moderator read Article #30:

To transact any other business that may legally come before this meeting.

It was asked that a State of this Community report be in the next Town report, that the Road Agent put in a state of the roads report in annual report. William Clement made comment that purchase orders would be used for all items bought by road agent or others purchased for the Town. David Gordon asked that there be more cooperation between townspeople and Town Officers.

June Smith moved that we adjourn; a unanimous aye vote was accepted by the Moderator at 1:45 PM.

Respectfully,
Arthur E. Seavey
New Hampton Town Clerk

New Hampton Special Town Meeting

August 25, 1984

Warrant as follows:

To the inhabitants of the Town of New Hampton in the County of Belknap in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Town House in said New Hampton on Saturday the 25th day of August 1984 at ten o'clock in the forenoon, to act upon the following subject.

1. Shall the Town adopt the provisions of RSA 674:24-29 entitled, "Emergency Temporary Zoning and Planning Ordinance".

Given under our hands and seal this 9th day of August in the year of our Lord nineteen hundred and eighty four.

William H. Clement
Richard Hallberg
Horace Boynton
Selectmen of New Hampton, N.H.

At 10:00 AM August 25, 1984, Moderator T.H. Moore opened the meeting by explaining his procedures for this meeting.

Patricia King sponsor of this meeting explained her feelings and reasons and feels Zoning is necessary at this time.

Hope Swain made a motion to have a pro and con debate at this time.

Normand Pinnette spoke and feels that this meeting is aimed at his business. He explained his set up as a seasonal and not a permanent type.

Carlotta Perkins spoke on her Water set up and Pauline Merrill spoke on planning board procedures.

Mr. Pinnette said planning board procedures not affected by the vote.

Mr. Romano explained that his subdivisions require 1 house per acre and new wells, hopefully to better the Lake.

Many others spoke both pro and con, William Clement read RSA #674, Robert Moulton wanted a definition of Agriculture. Bernard Smith defined plan. After many questions and answers the Moderator closed the debate at 10:55 AM, all interested parties had spoken. Voting started immediately and would close at 12:55 PM. Absentee ballots were accepted at 11:15 AM.

Total voters on check list were 860. Total vote cast 205. Yes 79, No 126. Article was defeated.

Moderator closed meeting after reading total votes cast.

Arthur E. Seavey
New Hampton Town Clerk

Town Warrant

The State of New Hampshire

To the inhabitants of the Town of New Hampton, New Hampshire in the County of Belknap, qualified to vote in Town affairs:

You are hereby notified to meet at the New Hampton Town House on Tuesday, the twelfth day of March next at ten of the clock in the forenoon to cast your ballots for Town officers and for questions required by law to be on the ballots. Polls to close not later than 6:00 P.M.

The remainder of the Warrant will be acted upon at the New Hampton Town House, Saturday, March 16, 1985 at 10:00 A.M.

1. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

2. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the completion of the Town Office building project and authorize the withdrawal of this amount from the Revenue Sharing Fund.

3. To see if the Town will vote to raise and appropriate the sum of \$17,500.00 for the support of the Fire Department.

4. To see if the Town will vote to raise and appropriate the sum of \$58,032.00 for the support of the Police Department.

5. To see if the Town will vote to raise and appropriate the sum of \$11,850.00 for the purchase of a new police cruiser.

6. To see if the Town will vote to raise and appropriate the sum of \$128,500.00 for the support of the Highway Department.

7. To see if the Town will vote to purchase a new 1 Ton Dump Truck for the Highway Department for the sum of \$19,000.00 by withdrawing this amount from the Highway Equipment Capital Reserve Fund.

8. To see if the Town will vote to purchase a new Front End Loader and raise and appropriate the sum of \$70,000.00 plus interest by borrowing on the credit of the Town, to be repaid over a period of three years with a first payment of \$23,000.00 plus first year interest due in March 1986.

9. To see if the Town will vote to raise and appropriate the sum of \$7,000.00 for cleaning, sand blasting and painting the under side of Central Street Bridge providing the Town of Bristol raises a like amount.

10. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the repair of Main Street, and authorize the withdrawal of this amount from the Revenue Sharing Fund; the State to contribute \$10,000.00 for a total of \$15,000.00.

11. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the purchase of a used van to carry medical equipment and emergency rescue tools, and to authorize the withdrawal of this amount from the Revenue Sharing Fund.

12. To see if the Town will vote to raise and appropriate the sum of \$2,735.00 as our share of the costs of operating the Newfound Ambulance Service for one year and to authorize withdrawal of this amount from the Revenue Sharing Fund.

13. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be put into the Property Reappraisal Capital Reserve Fund and to authorize the withdrawal of this amount from the Revenue Sharing Fund.

14. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 for the care of Cemeteries.

15. To see if the Town will vote to raise and appropriate the sum of \$10,284.00 for the support of Regional Associations: Community Action Program \$2,332.00; Bristol Community Center \$1,185.00; Lakes Region Planning Commission \$1,257.00; Newfound Area Nursing Association \$4,840.00; Inter-Lakes Day Care Center \$670.00.

16. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the support of the New Hampton Community Kindergarten.

17. To see if the Town will vote to raise and appropriate the sum of \$450.00 for Patriotic purposes.

18. To see if the Town will vote to raise and appropriate the sum of \$1,875.00 for the purchase of a new copier and to authorize the withdrawal of this amount from the Revenue Sharing Fund. (By request)

19. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the support of hospitals: Mary Hitchcock Memorial Hospital, Franklin

Regional Hospital, Lakes Region General Hospital, Sceva Speare Memorial Hospital.

20. To see if the Town will vote to create a special unpaid committee to be known as a Regional Refuse Disposal Planning Committee consisting of three persons to be appointed by the Moderator pursuant to RSA 53-B:1. This committee shall study the advisability of establishing a Regional Refuse Disposal District, may not obligate the town in any way, and shall report back to the Selectmen and the Town for further action at a subsequent Town Meeting.

21. To see if the Town will vote to authorize the Selectmen to sell a portion of land from the Town House lot consisting of one quarter acre more or less, to Nelson and Arlene Huckins and have the voters determine the worth of same one quarter acre. (By request)

22. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town any Federal or State Funds which may be made available during 1985. Further to see if the Town will authorize the Selectmen to make application for said funds and then expend the same for the purposes designated with applicable Federal and State regulations.

23. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

24. To see if the Town will vote to authorize the Tax Collector to accept prepayment of taxes.

25. To see if the Town will vote to authorize the Selectmen to dispose of property acquired by Tax Collector's deeds.

26. To see if the Town will vote to authorize the Selectmen to trade off or sell any unusable equipment or materials.

27. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 21st day of February in the year of our Lord nineteen hundred and eighty-five.

William H. Clement
Richard C. Hallberg
Horace E. Boynton
Selectmen of New Hampton

New Hampton Police Department

1984 Annual Report

As I'm sure most of you know I have had a problem keeping a full-time Patrolman here in Town. One of the biggest problems is the current rate of pay, and the amount of hours that are not being paid for that they have worked. At this point I have had two Full-time men leave. I now have a new man that is doing a good job for the Town and myself. He does have to go through the Police Academy in June and August of this year. I feel very strongly that if the rate of pay goes up and stays up that we will be able to keep this man and when the time comes we will be able to attract a better group of applicants.

I would like to thank both Calley & Currier and Joseph E. LaBlanc for their donations to the New Hampton Police. Calley & Currier made a cash donation of \$200.00 for the purchase of anything that we would have not gotten out of the budget for the year. Mr. LeBlanc's donation was in the form of 225 rounds of ammunition some of which were .357 rounds and the rest was .38 rounds. To both we say THANK YOU very much. With money that Calley & Currier gave us we were able to buy a new shotgun and an electric shotgun mount for the cruiser.

This year you see that there is one warrant article in the budget for the Police Department and it is for the purchase of a new Police cruiser. I am hoping that this goes through because we really do need the new vehicle. I want a Plymouth Grand Fury this year. I was going to keep the Blazer as a back up unit but due to the expense that it runs just trying to keep it on the road I believe that the best thing to do is to get rid of it.

The following burglaries were reported, 10 in year round homes, 11 in summer homes, and 1 in a place of business. There were 2 assaults, 8 acts of criminal mischief, and 3 acts of vandalism. We covered 55 motor vehicle accidents, 3 had serious personal injury, 11 had minor personal injury, 41 had no personal injury.

The criminal activity has gone up a lot from last year. I believe that a good deal of it stems from the fact that we did not have a marked cruiser on the road for some long periods of time during the year due to maintenance problems. Every time that we have the cruiser in the shop to be fixed we have to rent a vehicle and this vehicle has no radio, no lights, no siren, and most of all no markings on it what so ever. We cannot go down into Coolidge Woods area and have any type of communications with dispatch.

There are very few places in Town from which the portable radio can reach the dispatch center. This is one of my biggest reasons why this Town should have a second cruiser. There are many more reasons as to the need of a second cruiser but I won't go into it now.

Respectfully submitted,
Merritt D. Salmon
Chief of Police

New Hampton Fire Department

1984

The Department hoped to have our new Fire Truck available to show on Town Meeting day but such is not the case. Due to kickbacks in the ordering and modifications to the engine, the chassis was not delivered to the manufacturer. It is now due at Farrar Company in February, 1985.

The 1984 Fire Log shows 54 calls which include the following: 5 structure fires; 6 chimney fires; 1 sawdust pile; 19 Mutual Aid calls; 4 car fires; 19 service calls; and 2 false alarms.

These above calls amounted to 994 man hours and added to that the volunteer time of 1560 man hours gives an impressive total time to your fire service needs.

Again, we compliment those who have installed Smoke and Heat Alarms and urge those that have not to do so. Smoke alarms can and will save your life.

On December 1, 1984 Chief Joseph E. Powers retired as Chief of the Department.

Respectfully,
William H. Clement

Report Of Town Forest Fire Warden And State Forest Ranger

Our first forest fire prevention law was enacted by our State Legislature 90 years ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

1984 STATISTICS

Forest Ranger

William H. Clement
Forest Fire Warden

Emergency Medical Technicians

Annual Report for 1984

The New Hampton Fast Squad responded to over thirty-five calls this past year. They ranged from road accidents to indigestion. The squad now comprises four EMT's with an additional two in training. Three EMT's were recertified this year for another two years.

The squad purchased new fracture packs, and other small equipment needed for day to day operations. Our biggest problem now is getting the equipment to the scene. We do not want to become an ambulance service, but need a vehicle such as a small van to carry the backboards, oxygen, and other necessary equipment to the patients.

With the change in the ambulance service I urge you to consider becoming part of the Newfound Ambulance Service. By doing this you will be guaranteed coverage when you need it, and not when it is available or has to come from another service which may be farther away.

We thank you for your continuing support this past year.

Peter L. Gulick
Administrator
NHFS

New Hampton Highway Department 1984

The year of 1984 was an extremely difficult year for the New Hampton Highway Department. The year began with an inventory deficit, due to the unexpended 1983 balance of \$34,000. Had these funds been used to purchase a supply of salt, sand, gravel, fuel, gas etc., many necessary projects could have been completed. As it was, only the basic essentials were attempted. Even the Police Department was turned down on its request for speed limit signs, due to the lack of funds. Improved funding in 1985 would be very helpful in many neglected areas.

More than a mile of roadway on Blake Hill Road and Buzzell Hill was resurfaced this past year. Block Grant Aid was used to fund these improvements. More projects like these are anticipated for the future.

The 1977 GMC pickup truck succumbed to rust and mechanical problems during the summer. It is scheduled for replacement with a 1 Ton this coming year. Also, the 1961 Hough Payloader is being considered for replacement because age and mechanical failure has made it unsafe for the highway. These items will be considered for funding at the annual Town meeting. We hope you will consider the request necessary and favorably.

Thank you.

Joseph E. Powers, Jr., Road Agent

Pemi-Baker Solid Waste District Report - 1984

Originally the solid waste district was set up to study the possibility of an energy conversion incinerator plant. After an extensive study it was determined that the eleven towns involved do not create enough waste to make this type of incinerator economically feasible.

In the last several months the district has discussed the possibility of area towns buying into the existing Plymouth facility and purchasing a new incinerator at the cost of \$500,000.00.

At our last meeting Plymouth Selectmen vetoed this idea because of the possibility of area towns voting down this plan and leaving the town of Plymouth with a \$500,000 incinerator which, without financial assistance from most of the area towns, would be unaffordable.

In this year's warrant articles, each of the eleven towns in the district is asking that the town moderator appoint three persons from their respective towns to study the possibility of creating a district waste co-operative where all facilities would be owned and operated by the district co-op. This co-op would be funded by each town on a population and "waste generated" basis with each town having a single vote in all decisions.

As most of you know, our landfill is fast approaching its capacity. The State of New Hampshire estimates its useful life at three to five years.

The residents of the Town of New Hampton should be made aware that this is a very real and immediate problem, and whichever route we decide to take, will be very expensive.

Sanitary landfills are a thing of the past and it is next to impossible to attain State approval. Incinerators are very expensive and range from two to five hundred thousand dollars, depending on capacity. Contracting waste removal is only temporary at best as most of the existing incinerators in the area are operating at or near capacity.

There also remains the cost of closing out our present landfill. This will require an impervious barrier cap covered with good drainage soil, loamed and seeded. It will probably also require monitoring wells. The total estimated cost is fifteen to twenty thousand dollars.

If we elect to transport our waste, a transfer station is needed at the approximate cost of ten thousand dollars.

In my opinion, a district waste co-op would be our best option, both economically and long term.

Horace E. Boynton
Selectman

New Hampton Conservation Commission

We continue with some new and some old projects: Word has been received that the US Army Reserve Engineers have given approval for our beach project at the Conservation Area and word now is awaited from Boston before they can begin. It is likely to come very soon, perhaps before you read this. The project will constitute a training project for the Engineer Battalion, and we are pleased with the meetings we had with them.

Additional good news was the finding of both gravel and sand sources on the Conservation Area which the engineers deem an adequate bank-run grade to be used in road work and the beach. An acre of woods will be cut to reach this and will be planted with seedlings for future forest management.

The Conservation Commission paid the remainder of its \$10,000 pledge to the town for the renovation of the old shed into the new Town Office Building. In addition the commission paid approximately \$4000 in logging and transportation costs. About 160,000 bd ft of timber was cut to cover this commitment. Congratulations to all who helped provide a building of which we can be very proud.

Again we offered townspeople the opportunity to cut firewood for their own use under the guidance of Richard Gallagher and about 15 people took part. The Boy Scouts have camped on the Conservation Area a few times, and visitors have enjoyed the birding and the woods. Several work parties of town volunteers helped open the farmsite and work is to continue!

In the fall I attended a meeting in Peterborough to learn of the possibilities for even small towns to participate in reasonable recycling programs. A trailer from the town of Hancock is provided with separate containers for glass, aluminum, plastic bottles etc. The material is brought to the Peterborough facility to be sold. The revenues are not insignificant, but more importantly the project provides longer life for Hancock's current land fill and in the larger scheme conserves our limited natural resources. Peterborough recycles 46% of the rubbish brought into the dump and is stockpiling the remainder in compacted bales which will be sold eventually when a refuse-to-methane plant is constructed in their area. A marvelous experimental machine has been grinding plastic milk and soda bottles into ½" flakes and this is sold and re-used in the manufacture of new plastic containers for other than food purposes. Consider just the bulk of uncompacted plastic milk containers in our dump! Let's hear from townspeople who would support separating refuse for a recycling project.

Under the sponsorship of the commission, the New Hampton Community School has a continuing aluminum can collection at the school two days a week. The funds received (approx \$90 thus far) provide for the purchase and repair of cross-country skis and boots, thus enabling all students to participate in the winter program. Thanks to Eileen Curran-Kondrad and Linda and Bob Hammond who provided transportation of the cans to Concord.

The commission reviewed a couple of projects for which dredge and fill permits were required. One required some change in a landowner's plans, but was completed to everyone's satisfaction. Another landowner was informed of the procedures and halted his plans until application was made. Landowners are reminded that prior to putting anything into bodies of water or wetlands, a permit must be obtained from the State of New Hampshire Wetlands Board, 37 Pleasant Street, Concord, where applications forms are available. The completed application must be signed by the Town Clerk and copies forwarded to the Planning Board and Conservation Commission, who are provided a ten-day period in which to review and comment on the project.

Pat Schlesigner
Chairman

FINANCIAL REPORT

December 31, 1984

1984 has been a busy year for the Conservation Commission. We earned more than \$17,000.00 in lumber operations and we paid our obligations, plus \$9,339.60 to the Town of New Hampton.

We earned:	\$17,437.60
We spent:	16,024.56
Our Super Now Bank Bal.:	2,702.86
Our Fidelity Fund Bal.:	2,008.38
Our obligations included:	
Richard Gallagher, timber cutting:	\$5,484.25
Joel Powers, Jr.	180.00
Earth, Inc.	180.00
Conservation Commission State Dues	63.00
State of N.H. for trees	50.00
Town of New Hampton	9,339.60

Respectfully submitted,
William C. Walsh
Treasurer

1984 Planning Board Report

The Planning Board has completed another very busy year. We have had several changes in membership and chairpersons this year. A special thank you to Lucy Stephenson and Robert Baum who both served as very capable chairpersons this past year. We deeply regret the passing of Herman E. Chase who served as selectmen's representative to the board.

We approved 10 subdivisions involving 786.28 acres, creating 44 lots. There were 4 preliminary hearings that weren't brought forward for final approval and 2 boundry line adjustments. We approved one condominium conversion of a cottage colony involving 5.9 acres of land and 18 housing units. Much time has been spent working on the master plan update. We are hopeful to complete this project by mid-year.

As you may remember there was a special town meeting held this past year to address the questions of whether or not to adopt emergency zoning. The voters rejected this proposal. The Planning Board intends to work on a comprehensive ordinance covering land use and an ordinance covering mobile home parks. Hopefully these ordinances will be more acceptable to the voters.

The highlight of the year was moving into the new town office facility at the foot of Pinnacle Hill Rd. in the village. We now have a spacious meeting room and encourage you to attend. Our regular meetings are held on the third Tuesday of each month.

Respectfully submitted
Chester W. Butcher, Jr.
Chairman

New Hampton Community Kindergarten 1984

The New Hampton Community Kindergarten is pleased to report an enrollment of 17 students. Due to the resignation of Caroline Stern and Kelly Thinnies, we hired Jennifer Gunderson as teacher and Michelle Hofling as aid. We have formed a Board of Directors which includes past officers, present officers, and concerned citizens to help provide continuity in the operations of the Kindergarten. We have set up a scholarship fund to help those students in need. Part of the money from the Town and designated donations go into this fund.

Due to the generosity of the Community Church, the Town, various fund raisers, private donations, and the efforts of last years officers, we have been able so far to meet our salary needs, expenses, and also help those students in need. Without the Town's financial support this would not be possible and some children would not be able to attend the Kindergarten or in extreme cases the Kindergarten would have to close.

On behalf of the Kindergarten we ask the Town for its continued support so that our children can have the quality pre-school education they deserve.

Sincerely,
Linda Dowal, co-president
Joanne Harris, co-president

New Hampton Recreation Commission

Annual Report 1984

The Annual Easter Egg Hunt was our first event this year. The children had a wonderful time collecting eggs and surprises.

July 9th started our Summer Program. We had many varied activities this year. The children went to Wellington Beach once a week, hiked Rattlesnake Mountain in Holderness and went to the Squam Lakes Science Center. The arts and crafts and water sports programs were a lot of fun.

We sponsored three Senior Citizen trips this year. First in February they went to see the movie, Yentl, October we took a Foliage trip through the White Mountains and in December we went to the LaSalette Shrine to see the beautiful Christmas Light Display and had dinner at the Landers Restaurant in Lebanon. We had a wonderful time.

This year we helped support the cross country ski program at the New Hampton Community School.

Margaret Makris, Chairman

Bristol Community Center

Report To New Hampton

1984

The Bristol Community Center faced 1984 with an awesome task of raising \$10,500.00. We are happy to report that by December 1984 we had reached our goal. This effort was accomplished through the diligence and hard work of many volunteers.

In order to reach our fundraising goal we sponsored the following activities:

Feb. 18 Tag Day	July 14 Ham and Bean Supper
Feb. 19 Carnival Queen/Mr. "B"	Aug. 11 Summer Dance
Feb. 28 Bake Sale	Aug. 17/18 The Fantasticks
Mar. 10 Spring Dance	Aug. 24 Lobster Supper
Mar. 13 Bake Sale	Oct. 6 Apple Festival
Mar. 30 Jack Frost/Ms. Snowflake	Oct. 6/7 Fall Craft Fair
April 27/28 Sports Equipment Sale	Oct. 27 Dance at BCC
May 12 Hit-A-Thon	Nov. 4 Fashion Show
May 13 Spring Festival	Dec. 7-10 Christmas Craft Fair
June 30 Yard Sale	Dec. 19 Season's Greeting Card

We anticipate offering these events again in 1985 with similar dates.

Along with our fund raising we were fortunate to have a New Hampton resident launch a campaign for the Center in the form of a Business Save Center program. Jim Peabody was individually very generous and through his mailing gained \$1,745.00 for the Center's use on building improvements. We are pleased to report that the Center's gym floor has been repaired, sanded, re-painted and varnished.

In addition to our fundraising the Center was offering programs for all ages. We have an adult badminton, volleyball and basketball group who use the Center once a week. These groups are always open to new participants.

Other programs that New Hampton residents participated in include: Aerobics, Youth Volleyball, Gym and Swim, Little League, Saturday Open House, Pee Wee Basketball, Jaxx-Ex, Cake Decorating, Archery, Tiny Tots, Day Camp, Playground and Swimming lessons. A total of 65 residents from New Hampton participated in the Listed specific programs.

It is always the Center's goal to communicate and cooperate with all the Fair Share Towns involved with the BCC. We look forward to working again with the Gordon Nash Library and New Hampton School as we have this past year.

In 1985 the Center will once again be faced with a fundraising effort. Unlike last year however we have sought to lighten the burden of the active council members, they have spent countless hours ensuring the Center's operation. Instead we hope to receive increased support from all the fair share communities.

Our hope is that the B.C.C. is helping to fulfill your recreation needs. We look forward to our 39th year of service and community cooperation.

Patty Dutile
Director

Community Action Program Report

1984 Summary of Services
Provided to New Hampton Residents
by the Meredith Area Center
Belknap-Merrimack Community Action Program

Services	Units of Service	No. Households/ Persons	Value
Congregate Meals - hot meals for the elderly at our Senior Center.	412 meals	4 people	\$ 1,561.48

Meredith Area Director

Newfound Area Nursing Association

The following services have been provided to New Hampton residents during 1984:

RN visits	201
Home Health Aide visits	431
Physical Therapy visits	96
Homemaker visits	255
Total visits to homes	965

In addition to the above 50 New Hampton residents have availed themselves of our free monthly Hypertension Screening Clinic, 10 have visited the Well Child Clinic and 16 immunizations were given. Numerous phone calls are received by N.A.N.A. and referrals are made as needed. Our extensive durable medical equipment loan closet is also available at no cost to the residents of New Hampton.

We look forward to serving you during the coming year.

Sincerely,
Jeannine M. Martin
Executive Director

Lakes Region Planning Commission

1984

The primary goal of the Commission is to continue to encourage a balance between the type, location and rate of development and the capacity of the environment to accept such development without suffering deleterious effects.

The 1984-85 Overall Work Plan reflects a fairly diversified and ambitious work program given the limited financial resources and staff size. Emphasis will be directed into several planning areas:

- (1) Many lake management issues continue to be unresolved and of prime concern to local communities. A Lake Watershed Management Plan will address the issues, planning standards, legislations, regulations, enforcement and public education.
- (2) A Solid Waste District Plan must be developed for waste management on a regional cooperative basis.
- (3) Continue to emphasize the importance of historic preservation and encourage communities to become aware of and involved in historic preservation needs and opportunities.
- (4) Continue technical assistance to member communities, providing development of land use regulations which implement local Master Plans, as well as the Regional Land Use Plan, its goal and objectives.
- (5) Transportation planning efforts must continue in order to meet the needs of the region's citizens and to assure that the region's highway network is maintained without adverse impacts on the environment.
- (6) Provide current information, expanded data and analysis pertaining to the region's population, housing and economic conditions.

One important way communities can address issues and problems that transcend town boundaries is through the services offered by the Lakes Region Planning Commission. Solutions to regional problems occur only if towns can benefit individually through regional cooperation. This understanding is basic to the Lakes Region Planning Commission's approach to regionalism. The Commission's work toward solutions to common problems takes many forms. In the past year a wide variety of issues, regional and individual, have been addressed. An abbreviated summary follows:

- (1) Continued the supervision of a Regional Comprehensive Plan to maintain a suitable balance of development in the Region.
- (2) Completed five Master Plans for local municipalities.
- (3) Continued historic preservation activities resulting in 12 nominations to the National Register, and 4 historic districts being placed on the National Register with a total of 65 structures. Also, Historic Resource Inventories have been completed in 5 Lakes Region communities.
- (4) Continued efforts in dealing with water quality and lake management issues.
- (5) Continued work on a Regional Solid Waste Management Plan.
- (6) Provided assistance to the Town of Gilford in working out a strategy and plan to permanently protect prime farmland from future development at a minimum cost to the town.
- (7) Provided assistance in the completion of a CDBG Downtown Revitalization Project for Franklin, and assisted Alton and Wakefield in receiving CDBG Feasibility Study grants.
- (8) Provided or co-sponsored special programs, workshops and other meetings to address various planning-related issues, i.e., Five-Year State Highway Plan; Municipal Law Lecture Series; Regional Groundwater; Tourism in the Lakes Region; Land Use Law Recodification and Computers in Municipal Government.
- (9) Completion of several reports including: Community Design in Rural Areas; Economic Primer; Energy Alternatives for Mobile Homes; Groundwater Protection Manual and Historic Mill Space Available.
- (10) Reviewed seven communities' experience with regulating development in floodplain areas.
- (11) Provided local planning and community development assistance to each member community.

LAKES REGION PLANNING COMMISSION
James Rollins, Acting Director

Inter-Lakes Day Care Center and Nursery School

Report to the Towns

During 1984 the Inter-Lakes Day Care Center served 148 children — an 18 per cent increase in enrollment from the previous year. This represents a reflection of the recent baby boom which began two to three years ago. As a private, nonprofit agency governed by a volunteer Board of Directors the Center operates a preschool program with a full range of services including education, special needs, health care, vision and hearing screening, dental care, nutrition, and parenting. As a participant in the N.H. Child Care Food Program sponsored by USDA, nutritious hot lunches, breakfasts, and two snacks are served daily. Our school is open on a year-round basis from 6:30 a.m. to 5:30 p.m., making it possible for the parents of 134 children to maintain employment.

The primary concern of the Inter-Lakes Day Care Center is to provide a home-like, educational environment for children of working parents. Through our Nursery School program, open to children of non-working parents, and our before and after-school "Seven-Upper" Program we provide for the social, emotional, physical, and educational development of all ages.

Our satellite food program which we sponsor is a network of licensed Family Day Care Homes receiving federal reimbursement from USDA by serving nutritious meals and snacks while providing care for children of working parents in their homes. At the present time we have eight homes under the program.

The total budget of the Inter-Lakes Day Care Center for 1985 is \$135,000.00. Of this we will be receiving in tuition paid by parents \$73,475, \$2,800 from N.H. Child Care Food Program (USDA), \$2,480 from N.H. Child Care Food Program (USDA) for sponsorship of Family Day Care Homes, and \$2,485 from N.H. Job Training Partnership Act. This also includes the following: \$48,760 of which \$32,000 is Title XX and \$16,760 which must be raised in local funding. The money that is received from the towns is matched by the federal government under Title XX.

Area residents are cordially welcome to visit the Inter-Lakes Day Care Center and Nursery School at 11 Lang Street in Meredith.

Enrollment by Towns - 1984

Meredith - 93	Sandwich - 3
